**Subject: - Proposal for the Sponsorship of 52<sup>nd</sup> National Convention-2025**

Dear Sir/Madam,

With due respect, we are pleased to inform you that JCI Janakpur, a youth-led organization based in Janakpurdham and affiliated with Junior Chamber International (JCI) and JCI Nepal, is proudly hosting the 52<sup>nd</sup> National Convention (NATCON) of Nepal Jaycees from December 19–22, 2025 (Poush 4–7, 2082).

This prestigious annual convention will bring together over 3,000 young leaders from more than 184 local chapters across Nepal to share best practices in leadership, fellowship, and brotherhood. The event also marks the election of the new National Executive Committee of JCI Nepal for the year 2026.

In addition to leadership development and networking, the convention will feature a series of leadership trainings, theme-based seminars, oratory contests, and recreational activities. It will also serve as a platform to promote internal tourism, local culture, and business opportunities — making it a vibrant 4-day and 3-night event.

We would therefore like to invite your esteemed organization to extend support — financial, physical, or moral — to help make this national event a grand success. Your valuable participation and sponsorship will not only promote your brand among a large and diverse audience but also contribute significantly to youth empowerment and community development.

The detailed sponsorship proposal is enclosed herewith for your kind perusal. We sincerely hope for your generous support and collaboration.

## **BACKGROUND:**

### **Junior Chamber International (JCI)**

Junior Chamber International, commonly referred to as JCI, is a membership-based nonprofit organization of young active citizens ages 18 to 40, with around 3,000 JCI Local Organizations in more than 124 countries, JCI forms a vibrant global community of nearly 200,000 active citizens. All members belong to a JCI Local Organization where they focus on finding solutions to local issues. Each JCI Members are dedicated to creating positive change in their communities and shares the belief that in order to create lasting positive change, we must improve ourselves and the world around us. JCI members take ownership of their communities by identifying problems and creating targeted solutions to create sustainable impact.

JCI's founder Henry Giessenbier Jr. decided to take responsibility for the progress of his community when he established JCI's first Local Organization in St. Louis, USA in 1915. When delegates from eight countries met in Mexico City in 1944, they agreed it was time to officially form Junior Chamber International (JCI). This tradition of uniting young active citizens across cultures, backgrounds and borders fueled the JCI Movement and set the groundwork for taking action to create a better world.

Today’s global challenges require innovative and creative solutions. Motivated by the passion to transform their community and the world, JCI members have the courage to address the most critical challenges of our time.
